**Sir:**

In reply to the Office Action of March 23, 2004, enclosed please find copies of the drawings filed with the original application. Apparently the copies originally filed with the application through the EFS are too small to be read by the Examiner and cannot be enlarged. This is assumed to have been the result of a software bug in the software provided by the USPTO. In any even, attached are hard copies.

Examination on the merits is respectfully requested.

Respectfully submitted,

**BURNS, DOANE, SWECKER & MATHIS, L.L.P.**
